Re: SCHEDULING REQUEST  
*Grayling Davis v. Superintendent, Old Colony Correctional Center*  
Civil Action No. 04-10386-MLW

Dear Judge Wolf:

I represent the Petitioner in the above habeas proceeding, by appointment from the Massachusetts Committee for Public Counsel Services. The habeas petition was filed by prior counsel on Mr. Davis' behalf. Since filing my appearance, I have been in the process of reviewing the case and evaluating issues, as well as complying with filing deadlines and preparing for hearings in other cases. I intend to file a supporting memorandum and, if appropriate, amend the habeas petition by August 6, 2004. If this conflicts with the court's schedule or if the court requires memorandum filing prior to that date, kindly advise.

Very truly yours,

James M. Fox
